Overview & important notes

All services provided by Neotax s.r.o. are governed by this Schedule of fees and charge unless stated otherwise in the signed agreement.

We might change, add or discontinue services described in this schedule at any time.

In case a currency exchange is required, we will apply our bank's spread policies or apply our own consisting of applying a 2% spread on the rate available at the moment of the currency exchange. The date of the currency exchange might not be the same as the date presented since currency exchanges are usually done upfront and a period of 2-14 days of settlement is used.

This Schedule does not take into consideration any discounts which can be applied by using discount coupons or individually agreed on discounts.

This Schedule is applicable to services provided directly by Neotax s.r.o. In certain situations, fees might be higher if services are provided through partnering organizations or individuals.

HIGHLIGHTED ITEMS & UPDATES

proUser or **proBusiness** version? What is the difference...

All of our services have the proUser version. Pro means **profi** and proUser means it is mainly **focused on standard user**, usually in **local language** without special case scenarios.

Many of our services also have the proBusiness version. Again, pro means **profi** and proBusiness means that these services are **enhanced** from one or more angels - they can be provided in **foreign language**, they might be fitting some of your special case models and the customer service or account management is more **business-oriented**.

DESCRIPTION OF SELECTED SERVICES

BASIC, PREMIUM, VIP tax package

We prepared three packages from which you can choose. The Basic package is designed for those of you who want to do your taxes yourself and pay very small fees for our other help. The outcome of the basic package is the complete instruction and tax forms. You simply follow the instructions and submit your tax return yourself.

If you want assistance with the tax return filing, choose the Premium package. We will process the paperwork, help you to submit the tax return and provide all additional services needed to complete the whole task. Some services might be charged extra.

If you want to have everything included and not pay anything extra, choose the VIP package. You will receive preferential treatment and all-inclusive service.

PRECALC and CONSULT package

In certain situations you might want to only receive a calculation before deciding about your next steps. The Precalc package is here to help you get the initial information about your potential tax refund or debt. The precalculation is free if you use the Basic package, subject to availability for a given country and year.

As you know, tax world can involve a lot of aspects which need to be taken into account. The Consult package is here to help you make an initial analysis of your situation. We will suggest it to you in cases where we feel that your situation is not a simple one.

	<p>AMENDED TAX RETURN</p> <p>This is a fee for sending amended tax return when there are some additional information which has an impact on original tax return or we have found out that we don't have all needed documents.</p>
	<p>APPEAL TO DECISION</p> <p>Unless you selected the VIP package, appealing a decision is not included in our tax packages. The tax authorities have the option to dispute your tax return and propose adjustments. They usually send a letter explaining the reasons and give you a chance to appeal to their decision. Appealing to a decision requires finding proper arguments and replying to the tax authority in a given deadline. There might be repetitive replies needed.</p>
	<p>ASSISTED REGISTRATION</p> <p>We help you to register for our service, ask you for necessary information and documents, and guide you through the process. In case you cannot or don't want to print your documents, or need assistance with filling out the forms, our customer representative will help you. This might be also the case when a personal appointment is set up.</p>

	<p>COMMUNICATION WITH TAX OFFICE</p> <p>Under an ideal scenario, your tax return is processed without any need for further communication with the tax office. It is unfortunately happening that tax offices make mistakes or delay your tax return processing. We can communicate on your behalf where possible or advise you how to proceed in a situation where we cannot represent you fully.</p>

DEDICATED BANK ACCOUNT CREATION

This is a fee for creating a unique bank account to which the tax office sends the refund.

DOCUMENT REPLACEMENT

The document replacement service is available in situations when a key document is not provided by the client and such document is required by the tax authorities to process the tax filing. In most cases, the missing document is the yearly wage summary provided by the employer. It is not NeoTax's obligation to succeed in recovering the missing document, but NeoTax will make maximum effort to do so. In most cases, special authorization signed by the client is required before proceeding with the service. In situations which require a special approach, NeoTax might request additional cooperation and/or fees from the client, subject to prior approval by the client.

FICA

FICA is an acronym for "Federal Insurance Contributions Act." FICA tax is the money that is taken out of the paychecks. Two separate taxes are added together and treated as one amount that is referred to as "payroll taxes" or FICA. These can be refunded under certain conditions: in case of working with J1 visa for less than 183 days.

FILLING EHP/EWR FORM

Wrongly filled Personal income statement form will not be accepted by Dutch tax office. Therefore, it will be considered as undocumented.

Failure to provide the Personal income statement form will most likely give rise to a tax debt, as the tax office will assume you have high income in your home country. Thus, you will be classified in the tax group with a higher tax rate and you will lose the right to a refund.

In case you do not know how to fill in the Personal income statement form correctly, we can send you a pre-filled form, which you just will have to confirm at the relevant tax office (according to your place of residence). The form will be sent according to your requirement - electronically or via post. The fee for this service is 7 EUR.

	<p>GENERAL REPRESENTATION</p> <p>We usually represent you in front of the tax office automatically if you select the Premium or VIP package (subject to limitations in some countries). You might nevertheless require us to represent you for some special purpose. Keep in mind that additional fees might apply related to communication with the tax office.</p>
	<p>MONEY TRANSFER</p> <p>Even in our modern world, getting the tax refund in a fast and secure manner is a challenge. International transfers are expensive, they might take a long time. Some tax authorities use refund checks, instead of wire transfers. Therefore we offer our refund transfer service. We cooperate with international banks like CITI and UNICREDIT to deliver you your refund in the most convenient way. We managed to find the fastest and cheapest way to pay your refund in any currency to any country in the world.</p> <p>We have to, nevertheless, comply with international bank regulations and in case of special requests - for example sending your refund to third-party bank account- we have to request from you additional information.</p>
	<p>REFUND CHECK PROCESSING</p> <p>This is a fee for cashing a refund check in case the refund is not sent to a bank account.</p>
	<p>TAX CONSULTANCY</p> <p>We provide general tax consultancy on hourly basis for any queries you might encounter. We will always confirm to you upfront if we can provide the needed expertise.</p>
	<p>TAX PACK ASSISTANCE</p> <p>We help you to fill out the documents necessary to process your case. We will guide you through it so that you can be sure that your documents are correctly filled out. This might be also the case when a personal appointment is set up.</p>
