# Overview & important notes

All services provided by Neotax s.r.o. are governed by this Schedule of fees and charge unless stated otherwise in the signed agreement.

We might change, add or discontinue services described in this schedule at any time.

In case a currency exchange is required, we will apply our bank's spread policies or apply our own consisting of applying a 2% spread on the rate available at the moment of the currency exchange. The date of the currency exchange might not be the same as the date presented since currency exchanges are usually done upfront and a period of 2-14 days of settlement is used.

This Schedule does not take into consideration any discounts which can be applied by using discount coupons or individually agreed on discounts.

This Schedule is applicable to services provided directly by Neotax s.r.o. In certain situations, fees might be higher if services are provided through partnering organizations or individuals.

	<p>option to dispute your tax return and propose adjustments. They usually send a letter explaining the reasons and give you a chance to appeal to their decision. Appealing to a decision requires finding proper arguments and replying to the tax authority in a given deadline. There might be repetitive replies needed.</p>
	<p><b>ASSISTED REGISTRATION</b></p> <p>We help you to register for our service, ask you for necessary information and documents, and guide you through the process. It is unfortunately happening that tax offices make mistakes or delay your tax return processing. We can communicate on your behalf where possible or advise you how to proceed in a situation where we cannot represent you fully.</p>
	<p><b>DEDICATED BANK ACCOUNT CREATION</b></p> <p>This is a fee for creating a unique bank account to which the tax office sends the refund.</p>
